JOB DESCRIPTION:
Start Date: June 3, 2019
Position Title: Farm Assistant, the Farm at Kelly Miller
Part-time Seasonal Position (June - End of November)

ORGANIZATION DESCRIPTION
Dreaming Out Loud's mission is to create economic opportunities for the DC metro region’s marginalized community members through building a healthy, equitable food system. Dreaming Out Loud is rebuilding urban, community-based food systems through social enterprise, helping to increase access to healthy food and improve community health, develop low-income entrepreneurs and cooperatives, and train at-risk adult residents for sustainable, family-supporting wages.

POSITION SUMMARY:
Dreaming Out Loud, Inc. seeks a creative, independent individual with leadership and farming experience as well as demonstrated passion for food access, community organizing, and urban agriculture to manage all aspects of the Farm at Kelly Miller. The Farm at Kelly Miller is an innovative, urban farm and food hub operated by Dreaming Out Loud, Inc. in partnership with the District Department of Parks and Recreation, Department of Energy and the Environment, and community-based and nonprofit partners. The Farm will be a community-based center of agricultural learning, including workshops and classes, as well as farm-to-school, STEAM integration with Kelly Miller Middle School. Intensive, organic farming and collaborative food system infrastructure will increase access to healthy food, strengthen residents' ability to improve community food security, provide infrastructure and training to support low-income entrepreneurs, and create neighborhood-based employment.

DOL is working toward a just and sustainable food system by improving neighborhood access to healthy food, providing experience-based education, and developing an economically viable, environmentally responsible local agriculture sector. The Farm at Kelly Miller is situated on a 2.0 acres in Ward 7 -- very near to the public housing communities of Lincoln Heights, Clay Terrace / Richard Dwellings -- where there are just two (2) grocery stores for more than 75,000 people.

The Farm Assistant at the Farm at Kelly Miller will assist with all production related work during the growing season. The farm is in its second year of production and is looking to hire a full time farm assistant who will help the Farm Manager with daily tasks on the farm, including, but not limited to, bed prep, seeding, transplanting, watering, weeding, pest management, harvesting, post harvest handling.

The ideal candidate will have a love for farming or gardening, be able to work outside in various weather conditions, have the ability to work well with co workers and independently, and be able to take initiative on the farm once they learn the ropes. They will also be open to increasing their skills in sustainable agriculture through on farm experience and off site training.

JOB RESPONSIBILITIES:
• Assist with all production on the farm, including bed prep, soil amendment, seeding, transplanting, weeding, watering, harvesting, pest management.
• Co-lead and lead volunteer groups and events at the farm.
• Co-lead and lead tours and educational programs on the farm.
